Introduction to Alu Craft Fenestration:

At Alu Craft Fenestration, we specialize in crafting high-quality UPVC and aluminium doors and windows that enhance the aesthetics, security, and energy efficiency of your space. With a commitment to excellence and innovation, we offer a wide range of customizable solutions to suite every need and style preference.

UPVC Doors and Windows

➤ **UPVC Casement Windows:**

Description: Classic and versatile, our UPVC casement windows are designed for maximum ventilation and ease of operation.

Features:

- Energy-efficient design
- Multi-point locking system for enhanced security
- Noise reduction technology

Options: Various colors and finishes available.

➤ **UPVC Sliding Windows:**

Description: Sleek and space-saving, our UPVC sliding windows offer smooth operation and contemporary style.

Features:

- Smooth glide functionality
- Enhanced weather resistance
- Easy to maintain

Options: Single or multi-track configurations

➤ **UPVC French Doors:**

Description: Add elegance and charm to your space with our UPVC French doors, perfect for connecting indoor and outdoor living areas.

Features:

- Smooth glide functionality
- Enhanced weather resistance
- Easy to maintain

Options: Various glass patterns and hardware finishes available

➤ **PVC Bi-fold Doors:**

Description: Create a stunning focal point with our UPVC bi-fold doors, ideal for maximizing natural light and opening up living spaces.

Features:

- Smooth folding operation
- Slim sight lines for unobstructed views
- High-performance seals for energy efficiency

Options: Customizable panel configurations and sizes

Aluminium Doors and Windows

➤ **Aluminium Casement Windows:**

Description: Durable and stylish, our aluminium casement windows offer exceptional strength and design versatility.

Features:

- Thermally broken frames for enhanced insulation
- Corrosion-resistant hardware
- Modern slimline profiles

Options: Powder-coated finishes in various colors

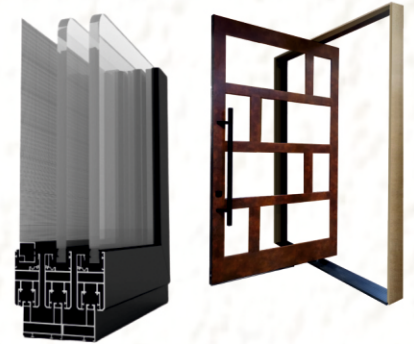

➤ **Aluminium Sliding Windows:**

Description: Contemporary and practical, our aluminium sliding windows provide smooth operation and contemporary aesthetics.

Features:

- High-quality rollers for effortless sliding
- Secure locking mechanisms
- Narrow sightlines for maximum glass area

Options: Double or triple-glazed options available

➤ **Aluminium Pivot Doors:**

Description: Make a bold statement with our aluminium pivot doors, offering architectural appeal and seamless functionality

Features:

- Pivot hinge system for smooth operation
- Exceptional durability and weather resistance
- Customizable sizes and configurations

Options: Choice of handles and finishes

➤ **Aluminium Folding Doors:**

Description: Transform your space with our aluminium folding doors, combining style, flexibility, and performance.

Features:

- Effortless folding action for wide openings
- Enhanced security features
- Low maintenance and long-lasting finish

Options: Multiple panel configurations to suit any space

Aluminium Doors and Windows

At Alu Craft Fenestration, we understand that every project is unique. That's why we offer a range of customization options to tailor our doors and windows to your exact specifications. From color choices to hardware finishes, glass options to size configurations, we're here to bring your vision to life.

Quality Assurance:

With a dedication to quality craftsmanship and customer satisfaction, Alu Craft Fenestration stands behind every product we manufacture. Our doors and windows undergo rigorous testing to ensure they meet the highest standards of performance, durability, and security. Backed by industry-leading warranties, you can trust in the reliability and longevity of our fenestration solutions.
